Fellow Fishers

ANNUAL GENERAL MEETING

The 2021 Annual General Meeting was held Sunday, 27th June 2021 with 13 members present.

Our new crew is:

Commodore - Jill Reid

Vice Commodore - Graeme Giles

Secretary/Treasurer - Kath Barber

Weighmasters - Cliff Bailie and Jill Reid

Committee - John Barber, John Mellsop, Cliff Bailie, Earl Pennington, Stephen Glibbery, Angela Moon and Linda Glibbery.

Linda Glibbery will be in charge of hiring the clubhouse as Andrew Whyte has stepped down from the committee.

Graeme reported on a busy year in spite of Covid affecting us all.

We came 3rd overall in the Superclub competition hosted by the Kamo Club, with Sheila getting the 4th prize for individual fish. Point Curtis are to host the next season's competition.

Mangawhai beat us in our annual challenge and they will host the competition in September this year.

Our Labour Weekend Fishing Competition again brought a good number of fishers and we filled the Fresha Valley big ice bin with plenty of fish for the auction. We had amazing support from all our sponsors.

With a great team effort we won a prize for our Christmas Parade float, the pontoon being instantly recognisable.

The 2020 Take a Kid Fishing was delayed through Covid until October and was well attended with lots of fish but our 2021 event which was held in May had a smaller number of kids and sadly the fish also forgot to be there. The kids who were there had a good time and took away some goodies from our sponsor Saltwater Connection.

The clubhouse is looking very tidy with new furniture, an electrical upgrade and new storage box as well as a fresh coat of stain.

A big thank you was extended to Graeme for his 4 years as Commodore, and thanks also to Andrew for his many years in various roles.

JULY MINGLE AND MINGLE

Our next Mix & Mingle is on Friday, 9 July 2021 starting at 5.30 pm and will be our prize-giving event, where we get to recognise the winners in various categories.

The format is a pot luck, which means you bring your meal to share (main and dessert).

As usual, a cash only bar is available.

HONOURS BOARD AND PRIZE GIVING

Andrew and Earl have swapped the honours boards around to fit on our wall and Jill and Cliff have been updating the lettering. Some spelling mistakes have also been corrected.

For the prizegiving, the plan is to present the trophies and photograph the recipient with the trophy, but the trophy itself will remain in the clubhouse. Because some of the trophies have little room left for engraving more names, it has been decided that they will not be engraved but instead the details will be added to the honours board.

CLUBHOUSE MAINTENANCE

There has been some concern about the safety of the steps leading from the veranda to the car park, and the committee has agreed to re-form the steps to make them safer.

A quote is currently being sought and work should start on this in the near future. Another working bee may be necessary 😊.

CAR PARK MAINTENANCE

The Whangarei District Council have agreed that under the terms of our lease they are responsible for mowing the grass and maintaining the pontoon and carpark. We will wait and see when and if this happens.
